Instructions for completing the Graduate Application for Graduation

Please read these instructions carefully before submitting your Application for Graduation.

Box ①

The Application for Graduation must have your advisor's signature before it is submitted to the Registrar's Office. This is your final opportunity to ensure that you will meet all of the course requirements for graduation.

Box ②

Use block letters to print your name as it is to appear on your diploma. It is very important that you **print clearly** in order to eliminate any errors in spelling. All efforts will be made to contact you to verify any spelling that is in question; however, you hold the ultimate responsibility for correct spelling. Indicate any spaces, hyphens, capital letters, commas or other markings that should be included in your name. This form is marked with your first name first, then your middle or second name, third name and then your last name. This is the order that will be printed on the diploma.

Box ③

Print your address to which the diploma is to be mailed. Diplomas are conferred and mailed approximately 6-8 weeks after the official conferral date. Please plan ahead and include an address that will be available at that time. **Do not** list a dormitory or Cokesbury address if you will be moving at the end of the semester.

Box ④

Mark which degree you are applying for. If your program includes a concentration, include that information in the space provided. If you are unsure about which program you should mark, please check with your advisor or with the Registrar's Office.

Box ⑤

Mark which term you will complete your requirements by inserting the last two digits of the year. OCU has three conferral dates per year. Please do not change the listed terms.

Please understand this date is for your diploma and does not pertain to the commencement ceremony!
